FIN-04	Akselerasi Cash Flow & DSO	Percepatan Penerimaan Kas vs Manual	100 %	92%	■ 92%	Baseline Data Produksi Berjalan (Finance Dashboard)	Sales & Mgmt

System Audit Trail: BRIVA SNAP: Dynamic VA 91118 dengan timer 15 menit dan real-time payment sync. | Tier Pricing: Level 1: Retail Petani, Level 2: Grosir Kios Mitra, Level 3: Distributor.

6. GROUNDED PROBLEM-SOLVING MATRIX (3-PILAR ANALISIS STRATEGIS)

Matriks terpadu yang memetakan Accomplishment, Issues & Root Cause, serta Next Steps & Risk Mitigation

N o	Pilar / Domain Masalah	1. Accomplishment (Pencapaian Nyata)	2. Issues & Root Cause (Tantangan Lapangan)	3. Next Steps & Mitigasi Risiko	Owner	Target	Status
1	Regulasi Apple App Store (iOS)	Lulus 100% Apple Guideline 5.1.1(v) dengan Account Deletion API & Guest Browsing.	Standar ketat Apple mewajibkan penghapusan akun mandiri & penolakan simpan data PII.	Terapkan SHA-256 email hashing audit trail dan pertahankan faktur untuk pajak.	iOS & Backend	Q3 2026	■ Done
2	Fintech BRIVA SNAP & Payment	Integrasi BRI BRIVA SNAP 15-min auto-settlement dan upload bukti bayar terenkripsi.	Mitra kios di pelosok terkadang mengalami kendala sinyal atau limit transfer kartu ATM.	Sediakan fallback transfer manual multi-bank (BCA, Mandiri, BRI) verifikasi cepat.	Finance & IT	Q3 2026	■ Done
3	Logistik Pedesaan & Armada	RajaOngkir Pro API presisi tingkat kecamatan & 30-min price locking engine.	Pesanan pupuk tonase besar menghasilkan ongkir ekspedisi reguler yang sangat mahal.	Integrasikan opsi armada truk internal (Internal Fleet) pada modul admin pengiriman.	Logistik & Gudang	Q4 2026	■ On Progress
4	Manajemen Stok & Deadstock	Sistem dual-unit (botol/karton) & formula deteksi stok slow-moving > 1 tahun.	Obat tanaman tertentu menumpuk di gudang jika terjadi pergeseran musim hujan/kemarau.	Sinkronkan data Deadstock Engine ke modul flash sale promo untuk diskon clearance.	Supply Chain	Q4 2026	■ On Progress
5	Metode Kredit & Plafon Tempo	Modul Piutang & limit kredit berjalan stabil di Web Enterprise Back-Office.	Pelanggan mobile ingin opsi beli tempo langsung tanpa approval web manual.	Kembangkan scoring kredit otomatis berbasis riwayat transaksi sebelum buka di mobile.	Credit Comm	Q1 2027	■ Planned

7. KESIMPULAN EKSEKUTIF & REKOMENDASI DEWAN DIREKSI

- 1. Status Kesiapan Komposit: Proyek Karisma Online dinyatakan **96.79% (LAUNCH READY)** dan telah memenuhi seluruh kualifikasi sistem, keamanan, fintech, logistik, dan audit regulasi.
- 2. Keputusan Rilis: Merekomendasikan kepada Dewan Direksi untuk menyetujui publikasi aplikasi secara serentak di **Apple App Store** dan **Google Play Store**.
- 3. Pilot Project Rollout: Mengesahkan pelaksanaan Onboarding 100 Kios Mitra Percontohan pada September 2026 didampingi salesman wilayah.
- 4. Roadmap Berkelanjutan: Menyetujui alokasi pengembangan modul armada internal & deadstock flash sale (Q4 2026) serta smart credit scoring tempo mobile (Q1 2027).
